## New rules for protecting when processing personal data (GDPR).

We collect and store contact information that we use for circulation of information typically price lists, newsletters and other updates that may be important to you as customer of ours. If you in the future do not want to take part of this information or want to know what we have stored about you, please contact us at sales department.  
Select the desired option along the bottom of this information!

---

Data stored in our records contain:

- Your name, company details and email address.
- If you do not contact us, the information is stored in our records.
- Anytime you want, you can change or delete your information by contacting us with such a request.
- We guarantee that the information is only for our own use and it is not passed or sold to any other organization or person.
- To learn more about your stored data, please contact our sales department.
- If you have any complaints about how we handle your information, please contact Datainspektionen, the Swedish control organisation.
